TRAVCO PROPERTIES

Travco Properties is the real estate development arm of The Group. Leveraging on Travco Group's large land bank of 16 Million sqm, Travco Properties is widening the arena of real estate offerings in Egypt by creating sustainable and self-sufficient resort destinations. Its main goal is to introduce a new perspective on mixed-use developments by establishing alternative, progressive, urban, and beach communities.

Travco Properties was established in 2014 and launched its flagship project, Almaza Bay, which instantly became a trend-setter on Egypt's North Coast. With 8 phases since its inception and a standout indoor - outdoor retail experience, The Village, featuring world class brands in F&B and retail such as Okhtein, Ego, Gourmet, Megumi, BRGR; Travco Properties continues to build to achieve the goals of its masterplan and continuously strives to fulfill its future expansion plans.

After the resounding success of Almaza Bay, Travco Properties launched in 2022 its second resort destination, Ras Soma. Nestled on the bay of Ras Abu Soma on the Red Sea, this flourishing town is poised to become the next flagship town on Egypt's East Coast. Ras Soma is a scenic retreat boasting a 1.3km sandy beach and some of the most breathtaking landscape in Egypt. From land acquisition and planning to delivery and post-completion asset management, the company's development philosophy centers on sustainability, intelligent design, and enduring asset appreciation. Each project is conceived not merely as real estate, but as a living, operating destination.
